- The Programme Started by Principal Dr.C.Kistayya and Vice Principal Dr.N.M.Vageesh. The NSS Team of SJCPS and B.Pharm and Pharm.D Students were actively participated in Programme.
- The Staff numbers explained the Importance of the medicinal plants and Uses and protect the environments.
- For better earth, planting a tree has long been a suggestion. Either it is outcry or warning of global warming, water crisis or something else. Trees offer many environmental as well as economic and social benefits. NSS student volunteers actively participated in the plantation program.
